## JOB OPPORTUNITY

Open Call on competitive basis at the **FUNDACIÓN PARA LA INVESTIGACIÓN BIOMÉDICA DEL HOSPITAL CLÍNICO SAN CARLOS-IdISSC** for a position as **Scientific Support Staff** (Área 2 – Grupo III - Titulado Medio) at the Neurological Diseases research group for the following project funded by the European Health and Digital Executive Agency (HADEA) ('EU executive agency' or 'granting authority'), under the powers delegated by the European Commission, Project: 'Joint Action addressing DEmentia and HEALTH – JADE Health'. Grant Agreement 101183247.

Part-time contract (15 hours per working week). The starting date will be immediately after resolution and the duration of the contract will be 27 months approximately or when funds allocated to this project are completely expended or the end of the project. Gross salary per month 881.26€ approximately (in 12 payments) in accordance with Spanish and internal Law.

## JOB DESCRIPTION/RESPONSABILITIES

We are seeking a candidate to join the European project "JADE Health Joint Action" a collaborative initiative spanning 17 countries aimed at reducing the burden and stigma of dementia and neurological disorders through prevention, early detection, and holistic care. Our team focuses on the early detection of neurocognitive disorders. The successful candidate will conduct systematic reviews, design surveys for stakeholders, and a pilot study involving neuropsychological and clinical assessments of patients in pre-dementia stages of Alzheimer's disease, encompassing both general and minority populations.

Joining our multidisciplinary team offers the opportunity to work alongside experts in neurology, benefit from an extensive network of national and international collaborations, and contribute to a distinguished publication record in high-impact, first-quartile journals. We provide a dynamic, stimulating environment equipped with state-of-the-art technologies designed to foster innovation and scientific advancement.

## EDUCATION AND TRAINING REQUIREMENTS

- Degree in Psychology.(EQF LEVEL 6- Nivel Mecés 2).

## HOW TO APPLY

Application deadlines: **27<sup>th</sup> August 2025 until 05<sup>th</sup> September 2025.**

Applicants should send their CV through our application form located in our website (<https://www.idissc.org/bolsa-de-trabajo/>), clearly quoting the Reference: **"23TM-24-2025"**.

When applying, applicants will accept total compliance with the job offer and will be fully responsible for the accuracy of the information submitted. The applicants must provide the following related documents (if they are requested by the FUNDACIÓN): National Identification Number/Passport; original and/or certified copy of University Degree or any other merit mentioned.

## SELECTION CRITERIA

Candidates are evaluated applying principles of equality, not discriminating in any way for reasons of sex, age, ethnic, national or social origin, religion or belief, sexual orientation, language, disability, political opinions, and social or economic status. Available OTM-R policy [here](#).

In the event of a tie between two or more candidates, once the score of the different candidatures presented has been calculated in accordance with the punctuation established in each call and with the principles of equality, merit and capacity, the sex less represented in the Unit / Group in question will be prioritized. In the case of gender equality, the candidates who have legally recognized some degree of disability will be prioritized.

Candidates will be evaluated by a designated Evaluation Committee (only if they meet the Education and Training Requirements). This Committee will act in accordance to the following criteria:

### A) Merit expertise:

1. English Level C1 or higher (0-1.5 points)
