JOB OPPORTUNITY

Open Call on competitive basis at the **FUNDACIÓN PARA LA INVESTIGACIÓN BIOMÉDICA DEL HOSPITAL CLÍNICO SAN CARLOS-IdISSC** for a position as researcher personnel, **Investigador Adjunto** (Área 1 – Grupo I) for the following Project: “Smart Technology for Remote Intervention in Diabetic foot ulcer prevention in Community settings -STRIDE-COM” funded by Instituto de Salud Carlos III (ISCIII) Proyectos de colaboración internacional de la convocatoria 2025 de la Acción Estratégica en Salud-Líneas Estratégicas de Investigación en Salud 2025 Call at the Interdisciplinary Diabetic Foot Study Group of the Complutense University of Madrid od IDISSC. The position will be located at Complutense University.

Part-time contract (25 hours per working week). The starting date will be immediately after resolution 15.02.2026 approximately and the duration of the contract will be 34.5 months approximately or when funds allocated to this project are completely expended or the end of the project. Gross salary per month 1811,60€ approximately (in 12 payments) in accordance with Spanish and internal Law.

JOB DESCRIPTION/RESPONSABILITIES

The contracted researcher will carry out fieldwork activities within the project focused on monitoring patients in remission from diabetic foot disease. Main duties include patient follow-up visits, clinical data collection, completion and maintenance of research databases, and analysis of collected datasets. The candidate will support protocol implementation, contribute to outcome evaluation, and assist in the preparation of scientific reports. Attendance and active participation in research group meetings and consortium meetings will also be required, ensuring coordination across multidisciplinary teams and high-quality project execution.

EDUCATION AND TRAINING REQUIREMENTS

- PhD in Podiatry, specializing in diabetic foot care (EQF LEVEL 8- Nivel Mecas 4).

HOW TO APPLY

Application deadlines: **28th January 2026 until 03rd February 2026.**

Applicants should send their CV through our application form located in our website (<https://www.idissc.org/bolsa-de-trabajo/>), clearly quoting the Reference: “**11AD-1-2026**”.

When applying, applicants will accept total compliance with the job offer and will be fully responsible for the accuracy of the information submitted. The applicants must provide the following related documents (if they are requested by the FUNDACIÓN): National Identification Number/Passport; original and/or certified copy of University Degree or any other merit mentioned.

SELECTION CRITERIA

Candidates are evaluated applying principles of equality, not discriminating in any way for reasons of sex, age, ethnic, national or social origin, religion or belief, sexual orientation, language, disability, political opinions, and social or economic status. Available OTM-R policy [here](#).

In the event of a tie between two or more candidates, once the score of the different candidatures presented has been calculated in accordance with the punctuation established in each call and with the principles of equality, merit and capacity, the sex less represented in the Unit / Group in question will be prioritized. In the case of gender equality, the candidates who have legally recognized some degree of disability will be prioritized.

Candidates will be evaluated by a designated Evaluation Committee (only if they meet the Education and Training Requirements). This Committee will act in accordance to the following criteria:

A) Merit expertise:

1. Publications in JCR-indexed journals (0–3 points)
2. Experience in the management of patients with diabetic foot disease (0–4 points)
3. Participation as a member of the research team in clinical trials or studies related to diabetic foot (0–1 point)
4. Training in statistics, proficiency in SPSS software, and database management (0–1 point)
5. Mobility (1 point)

B) Job Interview (only if you overcome 5 points at A) Merit Expertise. Previous labour mobility and personal experience, including the experience obtained in non-standard or informal ways, will be assessed. In order to the candidate might be proposer, the overall sum of the marks for all award criteria should exceed 50 %. (0 to 5 points)

The official resolution will be published the day after the process is finished. Any claim could be submitted to the designated Selection Committee (using the following e-mail: fibrhh.hcsc@salud.madrid.org) the next five days after the resolution is published.
